## **Independent Auditors' Report**

To the Board of Directors Southeast Missouri Area Agency on Aging, Inc. Cape Girardeau, Missouri

## **Report on the Financial Statements**

We have audited the accompanying financial statements of Southeast Missouri Area Agency on Aging, Inc., (a nonprofit corporation), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities and net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Agency's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we express no such opinion. An audit includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Southeast Missouri Area Agency on Aging, Inc. as of June 30, 2021, and the changes in its net assets and its cash flows, for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

#### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 14 through 26, which is the responsibility of management, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements, and, accordingly, we do not express an opinion or provide any assurance on it.

#### **Other Matters**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects, in relation to the financial statements as a whole.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2022, on our consideration of the Agency's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

## **Report on Summarized Comparative Information**

We have previously audited Southeast Missouri Area Agency on Aging, Inc.'s 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated March 30, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

## 1. Summary of Significant Accounting Policies

**Nature of business:** Southeast Missouri Area Agency on Aging, Inc. (the Agency) is a nonprofit corporation that is dedicated to providing general planning services for the development of a comprehensive, coordinated service system for senior citizens. The Agency serves senior citizens in eighteen counties in southeast Missouri providing nutrition, transportation, and other services.

**Accounting Pronouncement Adopted:** During the year ended June 30, 2020, the Agency adopted the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (Topic 606), as amended. The ASU applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. Results for reporting the year ending June 30, 2021 and 2020, are presented under FASB ASC Topic 606.

During the year ended June 30, 2020, the Agency adopted the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-18, *Statement of Cash Flows*. The ASU applies to organizations which have restricted cash or restricted cash equivalents. The amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling beginning of year and end of year cash on the statement of cash flows.

**Revenue recognition:** The Agency recognizes revenue using the following methods.

**Contributions and grants:** Contributions are recognized when cash, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction. The majority of grants received by the Agency are nonreciprocal. Therefore, revenue is recognized as obligations are met.

**Program fees:** For program service fees, revenue is recognized when the related obligation is met. The majority of the Agency's program fees result from meals served.

Economic factors such as changes in the economy and the number of contributors impact the nature, amount, timing, and variability of revenues and cash flows.

**Basis of presentation:** The Agency is required to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions:** Net assets not subject to donor-imposed restrictions may be expended for any purpose in performing the primary objectives of the Agency. These net assets may be used at the discretion of the Agency's management and the board of directors.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors and grantors must be expended in accordance with donor restrictions. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Agency or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. At June 30, 2021 and 2020, the Agency does not have any net assets with donor restrictions held in perpetuity.

Notes to the Financial Statements

Years Ended June 30, 2021 and 2020

All donor restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or the purpose is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and net assets as net assets released from donor restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restrictions.

Comparative financial information: The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of Americas. Accordingly, such information should be read in conjunction with the Agency's financial statements for the year ended June 30, 2020, from which the summarized information was derived.

**Accounting estimates:** Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Accounts receivable and credit policies: Accounts receivable consists primarily of grant funds due to the Agency for providing program services. Accounts receivable are stated at the amount billed to the funding source. Management individually reviews all accounts receivable balances and, based on an assessment of current creditworthiness, estimates the portion of the balance that will not be collected. Management has concluded that realization losses on balances outstanding at year-end will be immaterial. It is not the Agency's policy to charge finance charges on past due accounts.

**Inventories**: Inventories consist primarily of raw food used in the nutrition program and have been valued at the lower of cost or net realizable value as determined by the first in first out (FIFO) method.

**Property and equipment and related depreciation:** Purchased property and equipment have been stated at cost. Depreciation has been computed by applying the straight-line method and the following estimated lives:

| Category                   | Estimated Life |
|----------------------------|----------------|
| Equipment and furniture    | 5-10 years     |
| Autos                      | 5 years        |
| Buildings and improvements | 39 years       |

Acquisitions of property and equipment or repairs, maintenance, or betterments in excess of \$1,500 that materially prolong the useful lives of assets are capitalized.

**MO DHSS funds held in trust:** As required by the state of Missouri, cash received from the Missouri Department of Health and Senior Services, but not yet expended, is deferred and recognized when an offsetting expenditure has been incurred.

Notes to the Financial Statements

Years Ended June 30, 2021 and 2020

**Functional allocations of expenses:** The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis. All other costs have been directly applied.

The allocated expenses include the following:

| Expense                         | Method of Allocation |
|---------------------------------|----------------------|
| Personnel and fringe            | Time and effort      |
| Occupancy and communication     | Square footage       |
| Printing, supplies, and postage | Full-time equivalent |
| Depreciation                    | Square footage       |
| Insurance                       | Square footage       |
| Travel and training             | Full-time equivalent |

**Statement of cash flows:** Cash equivalents include time deposits, certificates of deposit, money market funds, repurchase agreements, and all highly liquid debt instruments with maturities of three months or less at the date of their acquisition.

**Tax exempt status:** Southeast Missouri Area Agency on Aging, Inc. has been classified as an exempt organization under Internal Revenue Code Section 501(c)(3) and as a public charity qualified for charitable contributions under Internal Revenue Code Section 170.

The Agency has analyzed the tax positions taken and has concluded that as of June 30, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. A tax liability would be recognized if the Agency has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorizes. The Agency is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Agency does not believe it likely that changes will occur within the next fiscal year that will have a material impact on the financial statements.

**Donated assets:** Donated investments and other noncash donations received by the Agency are recorded at their fair value at the date of the donation.

**Subsequent Event:** Management has evaluated subsequent events between the end of the most recent fiscal year end and March 31, 2022, the date the financial statements were available to be issued. See Note 2 for further discussion of risk related to the coronavirus pandemic occurring during the fiscal year.

#### 2. Risks and Uncertainties

During the year ended June 30, 2020, a strain of coronavirus (COVID-19) was identified as a global pandemic and began affecting the health of large portions of the global population. The detrimental impact of this virus is not yet fully determinable but will likely be significant for both the Organization and overall economy. The effects of COVID-19 on the Organization are also not yet determinable. However,

Notes to the Financial Statements

Years Ended June 30, 2021 and 2020

COVID-19 has been identified as a significant risk and uncertainty that could impact future operations and result in changes in estimates and assumptions made in the financial statements.

## 3. Availability and Liquidity

As a part of the Agency's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

The following represents the Agency's financial assets at June 30, 2021 and 2020:

The Agency is required to report to a sponsoring agency any disposition of personal property with a unit acquisition cost of \$5,000 or more and with a further use value. The agency must also maintain records of buildings acquired with federal funds. A reversionary interest exists for 20 years for newly constructed buildings and 10 years for acquisitions of existing buildings.

| Satisfaction of purpose restrictions  Kennett, Missouri building renovation project | \$<br>182,257 | \$<br>        |

#### 7. Retirement Plan

The Agency participates in a defined contribution plan contributing 5% of eligible wages to the plan per year. Eligible wages are those paid to regular employees following a 90-day probationary period. Retirement plan expense for the years ended June 30, 2021 and 2020, amounted to \$79,883 and \$76,205, respectively.

#### 8. Operating Leases

The Agency is obligated to unrelated parties under the terms of the following leases:

|                |                | N  | lonthly |
|----------------|----------------|----|---------|
| Location       | Expiration     |    | Rental  |

| New Madrid     | June 2022      |    | 150     |

Notes to the Financial Statements

Years Ended June 30, 2021 and 2020

The Agency is obligated under various noncancelable operating leases for equipment in the amount of \$60 per month expiring through November 2026. The Agency also receives right of use of property for its Puxico, Sikeston, and Caruthersville (RSVP program) locations. Rent expense for the years June 30, 2021 and 2020, amounted to \$90,585 and \$79,061, respectively.

The future minimum lease payments under noncancelable operating leases at June 30, 2021, are as follows:

| Year Ended June 30 | Leas | e Payments |
|--------------------|------|------------|
| 2022               | \$   | 86,000     |
| 2023               |      | 84,300     |
| 2024               |      | 77,400     |
| 2025               |      | 73,500     |
| 2026               |      | 24,600     |
|                    | \$   | 345,800    |

#### 9. Concentrations of Risks

During the years ended June 30, 2021 and 2020, the Agency received approximately 71.7% and 69.2%, respectively, of its revenue from grants from Missouri Department of Health and Senior Services and the Division of Medical Service. The grants conclude in September 2023 but may be renewed.

The Agency enters into contracts with subrecipients to provide program services. Such contracts are conditional based upon the Agency's ability to secure adequate funding and the other entities' willingness and ability to perform. At June 30, 2021 and 2020, accounts payable to subrecipients was \$822,454 and \$739,104, respectively.

## **10. Contingencies**

The Agency receives a large portion of its funding for projects through various federal and state grants for specific purposes that are subject to audit by grantor agencies. Compliance audits conducted by those agencies in the future could lead to disallowed costs relating to the current period. However, the Agency expects such amounts, if any, to be immaterial.

Notes to the Schedule of Expenditures of Federal Awards
Year Ended June 30, 2021

#### 1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal awards activity of Southeast Missouri Area Agency on Aging, Inc. under programs of the federal government for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Because the Schedule presents only a selected portion of the operations of Southeast Missouri Area Agency on Aging, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of Southeast Missouri Area Agency on Aging, Inc.

## 2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and/or OMB Circular A-122, Cost Principles of Non-profit Organizations, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

The Agency has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

Pass-through entity identifying numbers are presented where available.

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* 

To the Board of Directors Southeast Missouri Area Agency on Aging, Inc. Cape Girardeau, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Southeast Missouri Area Agency on Aging, Inc. (a nonprofit corporation), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 31, 2022.

## **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purposes of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Agency's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and other Matters**

As part of obtaining reasonable assurance about whether the Agency's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## Independent Auditors' Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors Southeast Missouri Area Agency on Aging, Inc. Cape Girardeau, Missouri

#### **Report on Compliance for Each Major Federal Program**

We have audited Southeast Missouri Area Agency on Aging, Inc.'s (the Agency) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Agency's major federal programs for the year ended June 30, 2021. The Agency's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### **Management's Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on compliance for each of the Agency's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Agency's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the Agency's compliance.

#### **Opinion on Each Major Federal Program**

In our opinion, the Agency complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

#### **Report on Internal Control over Compliance**

Management of the Agency is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered the Agency's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
